

12 June 2026

To Whom It May Concern,

This letter is to confirm that the Mike Leeke Classic and Mike Leeke Foundation are fundraising to support GI Cancer Trials through their annual Golf Day at Joondalup Resort in Connolly, WA.

GI Cancer Trials is a not-for-profit organisation dedicated to improving the health and quality of life of patients diagnosed with GI cancer. GI cancer affects over 37,000 Australians each year and is the most common form of cancer.

The research that we fund enables Australians with GI cancer to receive the best medical treatment. By conducting research in Australia, our cancer patients receive new treatments three to five years earlier than if the research was to take place overseas.

This authority to fundraise is due to expire 31st December 2027.

Please call GI Cancer Trials if you have any questions about their fundraising and thank you in advance for your support.

Warm Regards,

A handwritten signature in black ink, appearing to read 'Ali Bramson', with a stylized flourish at the end.

Ali Bramson
